

### **Project Opening Ceremony on local TV (summary)**

With the participation of János Bencsik MP, Csaba Schmidt mayor, Csaba dr.Kancz head of county government office, Marianna Nagy Mrs Berczelly general director of the TSZC, Hajnalka Kassai project manager (Panel Solar Ltd.) and Ágnes Slezák Mrs Pataki headmaster of the school along with school staff, the ceremony was held on 27 June 2016.

The significance of the project was praised by all presenters. The implementation of the cost saving energy efficiency project will contribute to the further efficient operation of the school building and the institute itself.

Marianna Nagy Mrs Berczelly general director of the TSZC said 25 million HUF expenditure was separated for the project by the TSZC.

The renewal work is going to begin in autumn 2016 and finish in April 2017.

Ágnes Slezák Mrs Pataki headmaster of the school emphasized it would be a huge reconstruction.

The education will continue during the process.
